

Features

- 1、 Monocrystalline Silicon Material: This 600W solar panel is made of high efficiency monocrystalline silicon cells with high conversion rate and high output efficiency.
- 2、 Performance: This monocrystalline solar panel is light in weight, convenient to carry, easy to install, high in stability and great in durability.
- 3、 Multiple Applications: This solar panel charger is suitable for automobile battery, automobile, ship, aircraft, outdoor agriculture, planting, tourism, solar street lamp, etc.
- 4、 What Will You Get: One 600W solar panel, one 100A charge controller, one connecting wire, four suckers, one car charging cable and one output clip.

Specification

Item Type: Solar Panel Kit

Material: Monocrystalline silicon

Weight: Approx. 372g/13.1oz

Solar Panel Power: 600W

Controller Current: 100A
